FAQs:

1) What is the rationale of having Co-Curricular Activities (CCA)?

CCA is compulsory at the Secondary level, where all students must participate in at **least one core activity**. LEAPS 2.0 recognises participation in CCA. LEAPS 2.0 recognises students' experiential learning and attainment in the four domains of the co-curriculum as they progress through their secondary school years. The four domains are Participation, Achievement, Leadership and Service. This recognition will be translated to bonus point(s), which can be used for admission to Junior Colleges/ Polytechnics/ Institutes of Technical Education. Most importantly, in Swiss, we strongly believe that CCA is a very important platform for all students to have opportunities to learn and be developed through a student-centric and holistic co-curricular experience.

2) How to sign up for your CCA?

Through the CCA Orientation, you will have a better sense of the diverse CCAs offered by the school. This is followed by the CCA Trials. For those who have been successful in the CCA Trials, you will receive a Letter of Offer. If you accept the offer, you need not participate in the Online CCA Selection Exercise.

If you are unsuccessful in the CCA Trials, you will have to participate in the Online CCA Selection Exercise. You will register via an online portal, which you will be introduced to. You are reminded to ***select all three CCAs of your choice wisely***. At least one of the three must be from a contrasting CCA group. For example, you may not choose all three CCAs from PA, with at least one being a UG, Club CCA.

3) How much time per week will you be spending in your CCA?

Most CCAs meet twice a week on our CCA days, which are **Mondays** and **Thursdays** (Wednesday for Basketball (Boys)), for about 2-3.5 hours per session. During peak seasons, for instance nearing competitions or events, training sessions may increase and may include Friday or Saturday trainings. For some Uniform Groups (UG), additional training sessions may be organized for them on certain weekends by the UG headquarters. Look out for CCA schedules given out by the respective CCA teachers on a monthly/termly basis.
